Report of Principal and School Improvement Council

The 2013-2014 school year at Cotton Belt Elementary has been an exciting year full of achievements and challenges. Our students, staff, parents, and community members continue to work hard each and every day to provide an environment of college and career readiness for our boys and girls. As in the past, improving student achievement continues to be a top priority. We were fortunate this year to have the honor of a Title I Distinguished School for Academic Achievement. This accomplishment is a tribute to the commitment and dedication of each member of the Cotton Belt family.

As always our primary objective is to improve student achievement. We worked this year to accomplish this by focusing on our school and district priorities: (1) data-driven instructional decisions, (2) literacy across the curriculum, (3) extra time/extra assistance, and (4) technology. We will continue to focus on these four areas during the 2014-2015 school year by using MAP data and other data sources to make instructional decisions, providing a balanced literacy approach to teaching reading and writing, providing interventions for struggling students in math and reading, and utilizing the promethean boards and other technology tools to enhance instruction.

As mentioned above, our parents and community members play an integral role in the success of our children. Our outstanding PTO, parent volunteers, community volunteers, and local businesses all work hard to help our students become successful.

We have partnered with a local business Arvin Meritor Corporation to establish a mentoring program for some of our 2nd and 3rd graders. Arvin Meritor gives their employees release time to come to the school to spend time with a student they have been assigned. At the end of the school year, the students are able to go on a field trip to Arvin Meritor to see the company and what they do. We also work with Winthrop University as a NetScope Partner School. This partnership benefits our school in many ways. We were able to have the pleasure of 4 Winthrop interns this school year. Two of which spent the entire school year at Cotton Belt Elementary. We were also able to use resources through Winthrop University to provide professional development for our teachers. We all work together to provide a diverse, innovative education in a safe environment enabling students to become responsible citizens in a global society, which is the mission of York School District One and Cotton Belt Elementary.

As you review the data from this report card, please let it be a reminder that we are continuously working to provide the best education possible to the students of Cotton Belt Elementary. Many thanks to all of our stakeholders for this year's accomplishments and for making Cotton Belt a great place to learn. We will continue to work to "spark potential and inspire success" at Cotton Belt Elementary and in York School District #1.

Angeline Robinson, Chairperson/School Improvement Council

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	87.8
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Cotton Belt Elementary has been designated as a:

X	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
	Non-Title I School - therefore the designations above are not applicable.
